Error Spotting - Q1

Identify the part of the sentence that has an error: 'Neither of the two candidates (A) / have (B) / submitted their (C) / application yet (D).'

(Variant 1)

A. A

B. B

C. C

D. D

Answer: B

Explanation: When 'Neither of' is used, it refers to 'none of the two' individually, so the verb must be singular. 'Have' should be replaced with 'has'.

Sentence Completion - Q2

The manager was so _____ with the report that he awarded the team a bonus. (Variant 2)

- A. exasperated
- B. impressed
- C. indifferent
- D. skeptical

Answer: B

Explanation: The context implies a positive outcome (a bonus), so the adjective must be positive. 'Impressed' fits perfectly.

Para Jumbles - Q3

Arrange the sentences in a logical order:

P: It is because they are not taught well.

Q: Most students find mathematics difficult.

R: However, with the right method, it can be fun.

S: This leads to a lack of interest. (Variant 3)

- A. QPSR
- B. PQSR
- C. RPSQ
- D. QSPR

Answer: A

Explanation: Q introduces the subject (students finding math difficult). P explains why. S explains the result of the poor teaching. R provides the concluding contrast.

Error Spotting - Q221

Identify the part of the sentence that has an error: 'Neither of the two candidates (A) / have (B) / submitted their (C) / application yet (D).'
(Variant 221)

- A. A
- B. B
- C. C
- D. D

Answer: B

Explanation: When 'Neither of' is used, it refers to 'none of the two' individually, so the verb must be singular. 'Have' should be replaced with 'has'.

Sentence Completion - Q222

The manager was so _____ with the report that he awarded the team a bonus. (Variant 222)

- A. exasperated
- B. impressed
- C. indifferent
- D. skeptical

Answer: B

Explanation: The context implies a positive outcome (a bonus), so the adjective must be positive. 'Impressed' fits perfectly.
